

Casa Aprisco's Vision from God:
Our VISION from God is to see cross-cultural Messengers of the Gospel experience restoration, endurance and effectiveness.

Like this tree, missionaries cling to Christ, but they can feel like they're teetering, and they might question the strength of their roots. They are surrounded by hard, rocky soil in which to sow Gospel seeds. They live in inhospitable climates and in communities strongly opposed to the Gospel. They face shunning, persecution, and trauma. LIFE IS HARD!

NCF is working to establish Casa Aprisco in Málaga, Spain, as a place for tired, depleted missionaries to *lie down in green pastures*, to be restored, and to grow in their endurance and effectiveness as harvest workers.

Casa Aprisco's Mission from God:

To provide a retreat setting and hospitality services for transformational retreat programs, prioritizing cross-cultural messengers of the gospel living in North Africa and the Middle East.

NCF has followed God's call to serve missionaries since 1956. We are so thankful that you share that vision with us, some of you since the days of NCF founder Dr. Clyde Narramore! Many workers caring for missionaries have told us, "We needed Casa Aprisco 5 years ago!" So let's build it together as soon as possible!

Here's an update on our progress toward establishing Casa Aprisco:

1. Director Iván is working hard to determine if the land we think is perfect is actually the best property to buy. We also need to figure out land development with roads, utilities, internet, and more.
2. Iván is negotiating a fair price for the land with the property owners. It's not an easy task.
3. We need to fundraise up to \$2,000,000 to purchase the property. We are looking for a **CHAMPION DONOR** to give \$1M as a matching gift to stimulate other donors to join in this exciting missionary care project.

This property for Casa Aprisco seems ideal, but is it? Please pray for the Lord to bless the Casa Aprisco board with discernment.

If you are this champion or know someone who could be, please contact us!

God heals the brokenhearted and bandages their wounds.

Psalm 147:3, CEB

Casa Aprisco will be a center of hospitality and retreat for missionaries. Its transformational retreat programs will bring restoration to individuals, families, and marriages, nourish roots in Christ, bind up wounds, build endurance and resilience, and increase effectiveness in ministry.

**Join NCF in caring for the Lord's servants.
Please give generously!**
