

Casa Aprisco

A Place of Refuge

As a shepherd looks after his scattered flock when he is with them, so will I look after my sheep.

I will bring them out from the nations and gather them from the countries...

I will tend them in a good pasture... There they will lie down... there they will feed in rich pasture.

I myself will tend my sheep and have them lie down. I will bind up the injured and strengthen the weak.

Excerpts from Ezekiel 34:12-16

Exciting News!

A beautiful property for **Casa Aprisco** has been secured by a 10% deposit. Now \$1M must be raised within one year to finalize the land purchase, after which the land development phase will begin. \$1M? 1 YEAR? Sound impossible? Not with our God's blessing!

Location, location, location!

Málaga is **perfectly** located for cross-cultural messengers of the Gospel serving in North Africa and the Middle East to come and find a safe haven in which to receive the Shepherd's loving care.

Narramore Christian Foundation's legacy of caring for missionaries is expanding through this endeavor. In championing **Casa Aprisco**, a safe refuge for rest and renewal, we will come alongside those working in some of the most difficult mission fields of the world and join the Lord in refreshing and restoring his people so they can faithfully continue doing his work.

The selected property for **Casa Aprisco** is ideally suited to foster restoration and renewed vitality—it's attractive, accessible, safe, and peaceful. Located away from population centers and bordered on three sides by protected national forest, the site is exceptionally quiet and offers expansive views of a fertile valley, olive groves, and surrounding mountains. Despite its seclusion, the property is only about 20 minutes from the Málaga International Airport, ensuring ease of access.

The facilities will be designed to provide space for transformational retreat programs for mid-sized communities of 20-70 people, keeping several important aspects in mind:

- ⇒ Meeting spaces that can accommodate different group sizes
- ⇒ Accommodation for families
- ⇒ Cozy places for smaller, more informal gatherings
- ⇒ A slower-paced environment for building relationships
- ⇒ Opportunities for enjoying lengthy mealtimes

Shepherding!

God does not only send his people, he shepherds them. This is essential to messengers' endurance and their work of evangelism and discipleship.

*Strengthen the feeble hands,
Steady the knees that give way;
Say to those with fearful hearts,
"Be strong, do not fear;
your God will come..."*
Isaiah 35:3-4

Join us in shepherding God's messengers!
